

Munich, September 9, 2022

Dear Admissions Officer,

This letter is in regards to English language proficiency through the studies of the following student:

Mr. Runyao Yu, holder of TUM matriculation number 03737108, born on 23 July 1995 in Chongqing, China, is currently enrolled student in 4th semester of the Master of Science (M.Sc.) in Electrical and Computer Engineering at the Technical University of Munich (TUM).

The student has demonstrated his level of English language proficiency more than 50% of the program, which have been listed based on his current transcript of record (see attached).

Likewise, the Master's Thesis has been registered and will be written in English.

If you have any further questions, please do not hesitate to contact us.

Best regards,

i.A. Kamolrat Ruangkhanap

Following Modules and Examinations are held in English:

Module/Examinations	ECTS
English - English Grammar Compact B1	3
English - Introduction to English Pronunciation B2	3
Machine Learning and Optimization	5
Brain, Mind and Cognition (Seminar)	5
Variational Inference in Robotics	5
Optimal Control and Decision Making	5
Renewable Energy Systems: Power Electronics, Modelling and Control	5
Machine Learning: Methods and Tools	5
Data-Driven Innovation	5
Introduction to Deep Learning	6
Clinical Applications of Computational Medicine	6
Approximate Dynamic Programming and Reinforcement Learning	6
Applied Machine Intelligence	9
TUM Data Innovation Lab	10
Research Internship	12
Total	90
